*The Homeowner Rewards program is subject to the terms and conditions set forth above and in the reward registration form. William Lyon Homes, Inc. (William Lyon) will not pay you a reward if there is a broker registered to represent your friend on the same homesite or Community. The referred friend or family member must present the reward card on the first visit to the sales office to be eligible. Registrations previous to November 1, 2007 are not eligible. Only one reward fee will be paid on each homesite. The maximum number of reward fees paid to an individual is five (5) in any calendar year. Any disputes arising between multiple people claiming the same reward on the same homesite must be settled between the referrers before the reward will be paid. A person may not receive a reward by referring himself or herself. If a contract is accepted and later is terminated for any reason, William Lyon will not be responsible for paying any reward to the Referrer. William Lyon reserves the right to change or cancel this rewards program at any time without notice. Federal and State taxes are the responsibility of the recipient.
